We do not accept the return of single lots, if we were to re-enter them, we would use exactly the same description as we did initially. Where single coins are offered in internationally known third party grading company's holders such as PCGS, NGC, PMG, ANACS and the UK's LCGS we will not accept the return of such lots where we have described them as graded by these third-party graders. After 28 days of the sale our books are closed and no refunds will be made for any reason, and no returns accepted.
