|--------------|-----|-----|

**Trial 20p.**

*Struck at the Royal Mint 50 years ago, when Britain started seriously experimenting with the concept of a decimalised currency.*

*In the early 60s, the Mint contemplated replacing the Crown with a 20p, which is why the Trial coin is slightly smaller than a Crown*

*Struck in 1963, this is a uniface, with a legend, but not sporting a date*

**Very Rare – believed 2-3 exist.**

**UNC OR NEAR-SO £900**
